

Just Imagine...

Sam Halpin

Thursday 28th February

Dear Parents/Carers,

We are delighted to be hosting an event with children's author Sam Halpin at Great Easton Primary School.

Born in Tasmania with Irish roots, Sam Halpin is a writer of children's fiction and fantasy. Having studied journalism at the University of New South Wales, he went on to take cinematography at AFTRS, the national Australian film school in Sydney before moving to London and working in comedy TV production.

Sam's debut novel for children '*The Peculiar Peggs of Riddling Woods*' is a spellbinding and spooky tale, about a young girl called Poppy and a place called Suds. A place full of strange rules – like never, ever dusting the window sills – and where children turn grey, before disappearing altogether. There's certainly something peculiar going on, and it's up to Poppy and her new friend Erasmus to find out exactly what is lurking in the Riddling Woods.

Sam will be signing copies of his book on the day and we are offering the opportunity to buy a book from Just Imagine at a special pre-order price. This will guarantee that we have a book available for your child on the day of the visit.

To secure the reduced rate, please return the pre-order slip to school by **Thursday 14th February**.

Yours sincerely
