5th February 2019

Dear Parents/Carers

Essex Schools Food and Farming Day - Wednesday 5th June 2019 - Years 4, 5 & 6

We have been invited to join the Essex Agricultural Society for the Essex Schools Food and Farming Day to be held at Writtle College on **WEDNESDAY 5th June 2019**.

The aim of the day is to give children a better understanding of where their food comes from and the role agriculture plays in shaping the Essex countryside. The event consists of five zones, each of which encompasses a key element of the food and farming story with a range of interactive activities and demonstrations.

We are awaiting confirmation of timings, but it will be during the school day. School uniform is to be worn, but please note that this is an outdoor event on a farm and therefore, if the weather is not on our side, wellies and waterproofs will be needed.

Children will need to bring a packed lunch and drink on the day - if you'd like school to provide this please let us know - **NO NUTS** or glass bottles please.

We are not being charged for this event; however we do require a contribution to cover the cost of the coach. Please complete the permission slip overleaf and return it with your voluntary contribution of **£9.25 per child**, or pay via Schnappy via **EVENTS**.

Please return form and payment by 1st May 2019

Yours sincerely

Sharon Scott
