

KidsClub

Bubbles

Children attending KidsClub will be kept in their class bubbles. Where possible, children will be outside playing rather than inside - each bubble will have a different zone of the outside area (this will link with where they are playing during the day so that no equipment is contaminated). In the event of bad weather where all children would need to be inside, each bubble will have a different large table or mats in the hall to enable the bubbles to be kept separate. There are approximately 5 children each night from each bubble to give you an idea of numbers.

The children in each bubble will have their own equipment to play with so that bubbles are not mixing germs in anyway at school.

Children will be reminded about social distancing, staff will be administering first aid (with PPE) but otherwise maintaining a safe distance as much as possible.

Snack

There will be a snack available for the KidsClub children made at the end of the day by the kitchen team. Hot food will not be served as it will be necessary for the KidsClub staff to all be on duty outside rather than one person being in the school kitchen preparing snack. The children will get a balanced snack box comprising of pasta/wrap/crackers, a piece of fruit and possibly a biscuit or small piece of cake. The children will use their water bottle for drinks, which they will be responsible for filling in their class zone. Staff will not touch their bottles or food.

Collection

There will be a doorbell on the white hall door which you will need to press when you arrive to pick up your child. All access gates to the school premises will be locked, so please don't try to walk round onto the playground. If we are outside when you ring, it may take a few minutes to get the hall, but we will have heard you. You are welcome to park in the bus layby outside of school or opposite school. Please be mindful if you need to use the staff car park as staff will be leaving too.

In the event that a child shouted at the exact moment you rang the bell and you end up waiting for ages, please walk round the footpath to the back of school and wave over the walking bus gate!

Your child/ren will be brought to the white hall door- please do not come into the hall- they will come to you. KidsClub staff will sign out on your behalf.
