Dear Parents/Carers

Primary Music Lessons Online

You will be aware that we usually have Essex Music Services tutors coming to deliver our individual music lessons. Unfortunately, we won't be able to have them visiting next term, due to the associated risks and how that works in our school environment. We will review this again after February half term, with the hope that we can have them back for the Summer term.

In the meantime, Essex Music Services are offering online music lessons. We strongly encourage you to continue your child's musical learning journey by signing up to these lessons until we can continue in school again.

- Lessons will be delivered by your child's usual music tutor wherever possible to ensure a smooth transition into online lessons and then back into school
- Lessons will take place at a convenient time outside of school hours
- Trial lessons can be organised if your child is unsure or worried

To sign up for online lessons, please [click here](#) and select your instrument. You will be invoiced by Essex Music Services for the lessons towards the start of next term and lessons will be booked in your diaries then. Lessons will start online in January and take place on Microsoft TEAMS, which is free to download. Prices for 10 weeks of lessons are:

- £50 for shared lessons (2 students for 20 minutes or 3 for 30 minutes - only available in selected instruments)
- £77.50 for 15 minute individual lessons
- £155 for 30 minute individual lessons

You might also wish to be aware of the [Tuition Discounts](#) (£52.00), and includes free support for Looked after Children/Children in Care, and [Instrument Hire](#) that Essex Music Services offer.

Please be assured that we will return to music lessons in school once it is safe to do so.

If you have any questions about the music provision online, or wish to book a trial lesson, please do not hesitate to contact Essex Music Services at musichub@essex.gov.uk

Best wishes
