

# Our School Development Plan!

- Marking and feedback – how this helps us to learn
- What methods do you find fun and what helps you learn?
- If you don't find maths fun how can we help?
- Looking at ways to work with mums and dads to help them help you with homework.

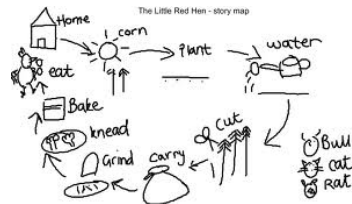

Reading- let's make sure everyone  to read!

What about the library we could try to make it **FUNK** out a little more what do you think?

## Writing

- SPAG (Spelling, Punctuation and Grammar) new sats tests. How do we need to teach these skills across the school?
- Talk for writing – story mapping and building confidence in writing

### **M.F.L/Modern Foreign Languages**

Improving the teaching of French and Spanish in upper school.

### **LOTG =Learning Outside the Classroom**

Learning outside and exploring the world

### **I.C.T**

Investigating I-pads and using ICT for all subjects to help us learn!

Making sure we know how to keep safe using the internet.

### **Keeping safe and keeping healthy**

healthy.

Learning to judge risks, Keeping ourselves fit and

Making sure we love coming to school and learning.

### **Ethos**-the magic that makes our school!

As a school community looking at what we stand for and believe in.
