

Great Easton Grapevine

Summer 9 – Wednesday 22nd June 2022

Our vision: We are God's children and global citizens. We will be bold enough to use our voices, brave enough to evoke change in the world and strong enough to stand up for what is right. We are valued and are part of a Christian family that grows together in faith, love and kindness.

Please note that Thursday 7th there is a change to the published menus – we will be having 'Jacqui's Jackets' so you just need to choose the filling!

Nick will be running a Summer Sports Camp here during August

Wednesday 3rd – Friday 5th

Tuesday 16th – Thursday 18th

Wednesday 24th – Friday 26th

There is a 25% sibling discount – use code LVD185 if you wish to take advantage of this

Please be aware of the walking bus times – we are having children left too early in the morning and being collected late in the afternoon. Please do not drop your child off early – even if you can see a member of staff there – they are not responsible for your child until 8:15am.

Collection is by 3:30 LATEST – if you have not collected by that time, your child will be brought back to school and booked into KidsClub, with the charge applied to your Schnappy account. Staff have other commitments that mean they cannot hang around at the village hall waiting for latecomers.

'Homes & Habitats'

Please see experiment attached to the email with this week's Grapevine!

Once again, we have some 'little visitors' in school – please be vigilant and check your child's hair, treating where needed.

In the news this week

The technology company, Google, has recently announced changes to its search engine, including the introduction of the 'Monk Skin Tone Scale' to help make search results more inclusive by showing a wider range of skin tones. Professor Dr Ellis Monk (creator of the Monk Skin Tone Scale) and Google aim to tackle the unfair balance of skin tones people see when searching online.

Things to talk about at home ...

- Can you think of a time when you didn't feel you were treated fairly or were fairly represented?
- Can you think of an example of how to make others around you feel they have been treated fairly?
- Do you think that seeing a wider range of people and skin tones when searching the internet will have a positive impact?

How can we make sure that everyone is included?

Homes and Habitats

This week I would like you to make your own bug hotel. For this challenge, you will need to look at what particular animals need to live and the type of environment that they like to live in. You can draw your design and label it. This mini-habitat doesn't need to be big- it can be something small.

Who would live in your hotel?
